DETAILED ACTION

Response to Amendment

1. This Office action and addresses claims 1-24, 26-28, and 30. Claims 1-24 and 26-28 are allowed. Claim 30 remains rejected under 35 USC §112, first paragraph. Accordingly, this action is made final.

Claim Rejections - 35 USC § 112

2. Claim 30 is rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claim(s) contains subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention. Claim 30 has been amended to recite that the fluorine-containing *polymer* surface active agent comprises a -CONH- group. The new language is still not considered to be adequately supported by the originally filed application. As set forth in the previous Office action, the -CONH- group is contained in a specific polymer and the specification is not believed to provide support or enablement for *any* fluorine-containing polymer containing a -CONH- group. Additionally, the Examiner's statement that non-polymeric materials were not supported was intended more as an example and was not intended as a suggestion that polymeric materials in general were supported.

Conclusion

3. THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
